# Newly Redesigned Vaca 50 Series

*Parts still interchangeable with previous models!*

## **VACA 5700 Series**

**Aluminum & Hickory Handles**

20 inches (50 cm)

The "Mighty Migit" whacks its weight in vines and limbs with every stroke. Compact, tough as nails, and 30 years popular.

## **VACA 5800 Series**

**Aluminum & Hickory Handles**

22 to 29 inches (56 to 61 cm)

Mid-sized and nimble for vine work, the power head of this "Classic" makes it the perfect lopper for mature vines and dwarf trees.

## **VACA 5900 Series**

**Aluminum & Hickory Handles**

27 to 36 inches (68 to 91 cm)

The "Classic" defines tough with its power-spring bumper, cone centerbolt washer and steel handle clips. The 5900 cuts anything cuttable without complaint. The 36 inch (91 cm) model weighs barely three pounds (1.4 kg).
